

Sophie Bayer

MEDIA ENGINEERING

☎ +49 177 2362866 · ✉ bayer.sophie@outlook.de · 📍 Karlstr. 29, 90763 Fürth, Germany

PROFILE

Media Engineering student who combines design, development and photography. This versatility allows me to independently develop projects from initial idea to technical implementation, while working my way into each area with real depth, from design through programming to marketing. Several years of experience in retail add a strong sense for customer needs and communication.
